It was an amazing experience for me. As a solo traveler I enjoyed the Kaas Pather trek a lot. The group leaders, Amol, Yuvraj and Shubham were helpful and took care of each and every one. Their time management and coordination was soo good that we were able to cover all 3 spots mentioned in the itinerary. Thank you so much ❤️ ❤️

## Important Travel Information – Train Ticket Booking with Maharashtra Desha Adventure

### 1. Ticket Booking Process:

- Certified Agents: Maharashtra Desha Adventure uses IRCTC-certified agents to book train tickets.
- AI-Based Tools: We employ AI-based tools like ConfirmTicket to predict the probability of your ticket being confirmed.
- Booking Strategy: Tickets are booked based on maximum confirmation probability, depending on the remaining days until departure.

### 2. Confirmation Disclaimer:

- No Guarantee: The tool does not guarantee 100% confirmation for waitlisted and RAC (Reservation Against Cancellation) tickets.
- Limited Control: Maharashtra Desha Adventure does not control ticket confirmations; it is managed by IRCTC, a government body.
- RAC Tickets: There is a possibility of receiving a RAC (half-seat) ticket instead of a confirmed seat. Maharashtra Desha Adventure is not responsible for the lack of confirmed tickets.

### 3. Train Cancellations and Route Changes:

- Responsibility: If a train is cancelled or the route changes, Maharashtra Desha Adventure will not be held responsible.
- Alternate Solutions: Alternative solutions will be provided at an additional cost.

### 4. Booking Recommendations:

- Advance Booking: To increase the likelihood of getting a confirmed seat, book your trip at least 45 to 60 days in advance.
- Seasonal Availability: Seat availability varies by season. Peak festive and tourist seasons may reduce the chances of getting confirmed seats due to limited train options.

### 5. Alternate Train Options:

- Agent Assistance: Our agents may contact you with alternate train options that have higher confirmation probabilities. These alternatives may involve a fare difference, which you will need to cover if you choose to upgrade.
- Predictability Tool Limitations: Occasionally, our predictability tool may fail, resulting in an RAC seat upon chart preparation. Maharashtra Desha Adventure is not responsible for providing full seats or issuing refunds in such cases.

### 6. Premium Trains:

- Higher Fares: Premium trains like Rajdhani and Duronto have fares approximately 50% higher than regular trains.
- Higher Confirmation Rates: These trains offer the highest probability of ticket confirmation and are recommended for a better travel experience.

### 7. Mid-Trip Changes:

- Flight Options: If you decide to switch to flight travel during your trip, notify us at least 36 hours in advance for a hassle-free cancellation of train tickets.
- Cancellation Policy: Last-minute cancellations are not always possible due to fixed agent schedules and other factors.
